

## About Us

Cirijasa Cipta Mandiri is an Indonesian Consulting firm offering consultancy services in Project Management and Construction Management.

Â

From Its successful beginning as a division of PT. Cirijasa Konsultan & Perencana, and its establishment as a separate entity in 1991, CIRIAJASA CM has continued to grow in a relatively short time, and has become one of the largest construction management consultant in Indonesia.

Over the years, CIRIAJASA CM has accumulated and impressive portfolio of completed construction throughout the nation, including Building, Civil Work, Telecommunication and industrial projects. Our client include governmental and private agencies, as well as international institutions. Some of the project were undertaken in joint-operation with foreign consulting firms and commendable reputation. We are pleased of Cirijasaâ€™s significant participation in the countryâ€™s development, and look forward to make further contribution in the near future.
